Dear Sir:

In reviewing the above-captioned application file upon allowance, the undersigned has noticed that the Title of Invention, as reflected on the Notice of Allowance and Fee(s) Due dated March 22, 2005, is incorrect. On December 15, 2004, Applicant filed an Amendment wherein the title was changed.

The correct title of the invention should read:

**METHOD OF FORMING A STRUCTURE FOR SUPPORTING AN
INTEGRATED CIRCUIT CHIP**

In addition, the Notice of Allowability does not indicate that the drawings have been formally acknowledged and accepted by the Examiner. Accordingly, Applicant respectfully requests formal acknowledgement and acceptance of the drawings for this application by the Examiner.

The PTO is therefore kindly requested to issue a corrected Notice of Allowance as soon as possible.

Applicant additionally requests that all pertinent U.S. Patent and Trademark Office records relating to the subject application be changed to reflect these corrections and that a corrected Notice of Allowance and Fee(s) Due transmittal be issued for use when paying the issue fee.

Dated: April 28, 2005

Respectfully submitted,
